Madam Prosecutor,

In accordance with Attorney General Directive 2018-2, I submit this letter to you regarding the random drug testing of members of the Secaucus Police Department. On March 30, 2023, and October 3, 2023, random selection for drug testing was initiated, regardless of rank and assignment.

On March 30, 2023, the Secaucus Police Department consisted of eighty-five (85) law enforcement officers, four (4) of which are Special Law Enforcement Officers III and three (3) that were attending the Bergen County Police Academy, who were considered "trainees." The "Random Selection - Eligible Pool" list consisted of eighty-two (82), whereby 10% or nine (9) participants of the eligible pool were selected for drug testing.

On October 3, 2023, the Secaucus Police Department consisted of eighty-four (84) law enforcement officers, four (4) of which are Special Law Enforcement Officers III. The "Random Selection - Eligible Pool" list consisted of eighty-four (84), whereby 10% or nine (9) participants of the eligible pool were selected for drug testing.

As a result of the random drug testing process, none of the selected participants tested positive for the presence of any illegal substances.

Sincerely,
